- Kindergarten
- 1st Grade - First grade would like to have a day in between plc meetings. Tues - Thurs?
 - Can we replace and/or clean the red and green cups in the cafeteria?
- 2nd Grade- Books in the vending machine- how often will they be switched out? Will we have new books there often?
 - Is there a plan/schedule for guidance lessons this year?
 - Progress monitoring- why can't the MTSS team complete like other schools are doing?
- 3rd Grade - How are multiple absences/tardies per kid addressed? Some already have a concerning amount of tardies and absences.

Cafeteria bus duty: "silent" rule is not consistently followed, and some grade levels do not always have someone for coverage. Also, can we rotate bus/grade level assignment every 9 nine weeks, so the same grade levels are not always the last ones to cover the last buses to leave.

- 4th Grade - Car rider and second run bus, student and staff expectations
- 5th Grade- 2nd run bus expectations. All staff has different expectations.
