1. Review last months minutes.
2. Admin - For certified staff, the Wednesday before Thanksgiving, it is an optional teleworking day.
3. Department Questions and Concerns(Admin responses in Red):
 - Kindergarten - none
 - 1st Grade
 - Swings being twisted to get height and left that way-All teachers need to have their students fix the swings BEFORE leaving the playground.
 - Older kids cutting through lines to get to buses-All teachers including 5th grade need to walk their students to buses not just let them go on their own this causes chaos on the bus lot.
 - 2nd Grade- none
 - 3rd Grade -
 - film/covering on end doors of hallway because of sun coming in-We will look into this.
 - 4th Grade -
 - Are smartwatches supposed to be in backpacks like cellphones-Smartwatches that are being used as a phone need to be put away in book bags just like cell phones.
 - Remind 5th graders not to use cell phones on the bus. Some are playing inappropriate music. Buses are still school property. NO PHONES OUT. Teachers reiterate this. I have already said this to parents.

- A lot of injuries on the gymnastic bar on the playground- can this be removed?--**I will look into this.**
- 5th Grade
 - When teachers have iep/504s we need coverage even at recess--**Your grade level TA should be able to cover when you have a meeting.**
- Specials
 - I'm also sharing this in the next Staff Communication, but here is a link to Book Fair Information for Staff. The book fair is 12/4-12/6. Parents can also buy online between 11/25 – 12/6 and it will be delivered to the school within 10 days of when they order –

 - The Specials team would like to get follow up about having a PLC time close to when grades are due. We have a solution to discuss with Admin about it--**Yes let me know your solution.**
- EC - none
- TA - none
- Parents - none
- Support Staff - none
