## Seniors and Senior Parents, Class of 2022 Information about your Senior Portraits:

Seniors, it's time to get your senior portraits and yearbook photo taken! Go online to [cady.com/book22](http://cady.com/book22) to schedule your session! CADY has a studio at Crown Point Plaza in Matthews where your photos are taken. Every senior needs to get a picture taken with CADY so they will be in the yearbook.

1. CADY has a studio at Crown Point Plaza in Matthews.
  2. When you go to the website, search for Central Academy, pick an additional scene, and then click continue.
  3. On the next page you will see prices for session (sitting) fees. If you want the basic \$30 option then scroll to the bottom of the page and select simple session.
  4. Your session fee (sitting fee) is the fee you are paying for the photographers to take your picture and there are a lot of different priced options with multiple locations, dedicated photographers, makeup artists, etc. This fee DOES NOT pay for any of the photos that you might want. You will have to purchase your photos after you receive your proofs.
  5. Make sure to remove any pre-checked items you do not want such as double proofs, retouching, etc.
  6. Select your date and time, create an account, and pay the sitting fee.
  7. Show up for your appointment date and time you selected to get your pictures taken.
  8. After your pictures are taken you'll receive a portfolio in the mail. Keep anything you'd like to purchase and return everything else in the enclosed postage-paid envelope.
  9. Remember, we want 100% of our seniors represented in this book but we can't do it without you.
  10. Yearbook and senior tribute orders can be placed once school starts in the fall. The yearbook is always at its lowest price the first week of school so order early to get the best deal!
- If you have questions about senior pictures, please contact CADY Studios. If you have questions about other issues, contact Ms. Christensen at [deb.christensen@ucps.k12.nc.us](mailto:deb.christensen@ucps.k12.nc.us).

Students not making up an exam will run a normal schedule. There will not be bells that day.

**Exam Information:**

**Exam Exemption Policy:** High School students will not be required to take a teacher-made final exam in a course in the following situations:

- A. The student has an average of 90 or above the week prior to the administration of the exam and has no more than 2 unexcused absences in the class; or
- B. The student has an average of 80 or above the week prior to the administration of the exam and has no more than 1 unexcused absence in the class

**Teacher made tests** are defined as tests designed and graded by a UCPS teacher of record for the purpose of assigning an exam grade to a student. Exam exemptions only apply to teacher made tests and are not available in courses which require the administration of an End of Course or state mandated final exams. Students enrolled in AP courses will still be required to take the AP exam. Students are expected to take all other assessments given at the school.

**Exam Information is Continued on the Next Page**

**Attendance:** Attendance in the building during exam days is required for all students taking an exam. Our normal school hours apply, but the schedule and lunch times are adjusted. January 14th is an important day for any students who have missed an exam earlier in the week due to illness. If missing the exam is due to Covid-19, the school will communicate a plan with each individual student and family. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

**Dismissal:** All students who wish to leave after the exam period must bring a note they will give to their classroom teacher. Students will then receive a specific color pass to leave each day.

### **Exam Study Tips:**

- Be on time! Students should be in their testing locations before 9:05 a.m. They will not be admitted to exams once testing has begun. Students are encouraged to sleep well each night (8 hours), and have a healthy breakfast each morning
- Create a study calendar and stick to it
- Ask your teacher for a study guide and USE IT!!
- Use your notebook to guide you through a review of the course
- Attend all review sessions offered
- Go to tutoring for extra support
- Make a study group, assign each person a topic to re-teach, and discuss each topic
- Have your parents ask you questions
- Use diagrams, graphs, pictures, and drawings in your textbook to serve as a talking point for you to review
- Make flashcards on your computer or phone to practice important vocabulary words
- Look at your scores from the semester and identify topics you struggled in – ask your teacher or a friend for help
- Stay after school to study - let an administrator know which days your study group needs to stay and study and we will arrange for you to stay to study
- Rewrite important points, the act of writing or typing helps some people remember specific information
- Create an acronym, or a funny saying, or song to remember specific information
- Draw a quick sketch to help with definitions or concepts
- Practice math problems

**Type of Exams:** We have three types of exams at the end of each semester – EOC, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

**Testing Window:** All exam testing must be completed between January 10th-January 15th. This is true for ALL types of exams: EOC, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window timeframe.

**Score Results:** All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

**Exam review:** All teachers are expected to help students with review during class time and to distribute a review guide on canvas to students prior to testing. Teachers will have review sessions for each class as stated in the schedule above. Students should begin organizing and reviewing material.

**Academic Integrity:** Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in **cell phones** during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.
