Dear CATA Family,

By order of the North Carolina Governor public schools are closed for the remainder of the school year and remote learning will continue. We will have more information for seniors in the coming weeks. In addition, stay tuned for details about returning items that belong to the school. (Uniforms, textbooks, calculators, library books, Chromebooks, and chargers).

2020 - 2021 Registration Update: Your school counselors will beginning "meeting" with you to review your course selections starting on Monday, May 4th based on your 2nd block class. Please see the schedule on **page 3**. Your assigned counselor will contact you on the phone number you listed in the CATA Remote Learning Survey. Due to the school building being closed for the remainder of the school year we do need students to fill out the Virtual Registration Google Form by clicking [here](#), for any required forms needed - Waiver Form, AP Contract, Online Course Request, Peer Tutor Form, Flex Form, Yearbook Interest. Please reach out to your assigned counselor with any questions or concerns. We look forward to talking with you over the next three weeks!!

UCPS Remote Learning Plan: During Phase 4 students will proceed with checking in with their 1st and 2nd block classes on Mon. & Weds. and 3rd and 4th block classes on Tues. & Thurs. Fridays are Teacher Office Hours. Students are encouraged to participate in the **NEW LEARNING** 180 mins. per week/per class or 90 mins. per class/per day. Until otherwise announced, teachers are to only provide ongoing feedback, there will be no numerical grades. As a reminder, the [Empowered Family Portal](#) is available for free learning resources for all grade levels. Click [here](#) to review the UCPS Remote Learning Plan. **Technical Support:** A Special technical support line has been established for student technical support, device troubleshooting, and maintenance issues: Student Technical support may be accessed at studenthelpdesk.ucps.k12.nc.us. Students should check their UCPS email DAILY! [UCPS Remote Learning Frequently Asked Questions](#)– Click Here

Grading Policy for Grades 9 to 11: Students will have **two options** for each final course grade:

1. Numeric grade, the highest grade representing learning as of March 13 or as improved through the semester as remote learning continued.

2. PC19 or WC19

- -Students will determine how each final course grade will appear on the transcript at the end of the semester after advising from the teacher/school and in consultation with the parent/guardian.
- -When students choose to report a numeric grade as the final grade on the transcript, the numeric grade will be calculated into the cumulative GPA, following the guidelines in SBE policy GRAD-009.
- -When students choose to report a PC19 or WC19 as the final grade on the transcript, there is no GPA impact when using these grades.
- -When students in a yearlong course choose a PC19 or WC19 for the spring portion of the course, the fall term grade will be counted into the GPA.
- -Students will not receive a failing grade. LEAs/Charters will advise the use of WC19 for any student who is failing as of March 13 and was unable to improve through remote learning opportunities.
- -A final grade of PC19 does award a full unit of credit for a high school course while a grade of WC19 does not award a unit of credit.
- -WC19 does not equate to a failing course grade but indicates a lack of evidence of mastery of standards addressed in the particular course and that the school is unable to award a unit of credit.

Board of Education approves changes to graduation requirements for Class of 2020: During the April 7 Union County Board of Education meeting, board members approved changes to graduation requirements for the UCPS Senior Class of 2020. The changes, which were adopted because of COVID-19 and the associated school closure, align with the amended graduation plan approved by the NC Board of Education. As part of the updated graduation requirements, UCPS high school seniors are now required to have a minimum of 22 credits by their originally scheduled graduation date. Prior to the change, current UCPS seniors would have been required to have a minimum of 28 credits to graduate with a high school diploma. Parents of high school seniors will receive more detailed information.

Here's what you need to know from CATA at this time:

- **If you need to contact a school counselor, then there is a page in this edition for assistance.**
- **UCPS is serving free lunches to those 18 years and younger during the closure. Please look for locations in this edition.**

2019-2020 Yearbooks: Yearbooks are now \$85.00. Send check or cash to Ms. Christensen in The Den or order online at yearbookforever.com (search for CATA). Stay tuned to details about distribution.

Please take time to read over this newsletter. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. Go Cougars! Ms. Merritt

ATTENTION JUNIORS - Common App Essay Prompts have been released. This is something you can work on now and it will make your senior year much easier. The prompts are listed below -

1. Some students have a background, identity, interest, or talent so meaningful they believe their application would be incomplete without it. If this sounds like you, please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma — anything of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
6. Describe a topic, idea, or concept you find so engaging it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?
7. Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.
