UCPS Eligibility – Attendance Matters: Union County Public Schools will enforce a previously used attendance rule as it relates to athletic eligibility. In order to be eligible for interscholastic athletics participation, students must have been in:

- Daily attendance 85% (No more than 13 absences a semester) of the previous semester and must meet all applicable eligibility standards of the NCHSAA.
- PowerSchool defines daily attendance as being present 2 blocks. Absences recovered through attendance recovery will not change the attendance record and therefore will impact opportunities including the ability to participate in interscholastic athletics.
- Schools will have the opportunity to submit a hardship request based on a legitimate circumstance, such as a medical condition, which may have created an attendance hardship.

All students who have **Teacher Made Exams** will take their exams virtually. If your student has a problem with an exam, then they need to do the following

- Email the teacher
- Call the school immediately and ask for one of the assistant principals Dr. Wall or Mr. Stewart
- Teacher made exams will be posted on Canvas or on a link to Canvas. The teacher will communicate to students and parents exam links and expectations.

Exam Exemptions for Teacher Made Exams ONLY: Students will be notified by their teacher on Monday, 12/14.

High School students will not be required to take a teacher-made final exam in a course in the following situations:

The student has an average of 90 or above the week prior to the administration of the exam and has no more than 2 unexcused absences in the class; or

The student has an average of 80 or above the week prior to the administration of the exam and has no more than 1 unexcused absence in the class.

Attendance: Attendance in the building during exam days is required for all students who are taking **EOC and CTE Exams**. Students who are taking teacher made exams should take their exam from home. Our normal school hours apply, but the schedule and lunch times are adjusted. **December 21** is an important day for any students who have missed an exam earlier in the week due to illness. If missing the exam is due to Covid-19, the school will communicate a plan with each individual student and family. **We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.**

Dismissal: All students who drive to school and those who have parents drive them to school should plan to leave school around 1:05. Those students may eat lunch then go home or go directly home. **The only students who should remain on campus are bus riders.** Bus riders will go to their appropriate review session classes after lunch. All other students (car drivers and car riders should log into review sessions virtually). Students who ride buses who plan to leave early instead of waiting on the bus need to have a note they give to their teacher and the teacher will give the student a specific color pass to leave each day.

Exam Study Tips:

Be on time! Students should be in their testing locations before 8:50 a.m. They will not be admitted to exams once testing has begun. Students are encouraged to sleep well each night (8 hours), and have a healthy breakfast each morning.

- Create a study calendar and stick to it
- Ask your teacher for a study guide and USE IT!!
- Use your notebook to guide you through a review of the course
- Attend all review sessions offered
- Go to tutoring for extra support
- Make a virtual study group, assign each person a topic to re-teach, and discuss each topic
- Have your parents ask you questions
- We know studying with classmates virtually can be different but still effective.
- Use diagrams, graphs, pictures, and drawings in your textbook to serve as a talking point for you to review
- Make flashcards on your computer or phone to practice important vocabulary words
- Look at your scores from the semester and identify topics you struggled in – ask your teacher or a friend for help
- Stay after school to study – let an administrator know which days your study group needs to stay and study and we will arrange for you to stay to study
- Rewrite important points, the act of writing or typing helps some people remember specific information
- Create an acronym, or a funny saying, or song to remember specific information

Type of Exams: We have three types of exams at the end of each semester – EOC, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

Testing Window: All exam testing must be completed between December 15 and December 21. This is true for ALL types of exams: EOC, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

Score Results: All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

Exam review: All teachers are expected to help students with review during class time and to distribute a review guide on canvas to students prior to testing. Teachers will have virtual review sessions for each class as stated in the schedule above. Students should begin organizing and reviewing material.

Academic Integrity: Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.
