Student Life Information

Our Remembering the Holocaust class taught by Ms. Cline took a field trip to the Levine Museum of the New South in Charlotte to visit the “Anne Frank: A History for Today” exhibit. Going to the Anne Frank Pop Up Museum was not only very educational but also very humbling. As a class, we learned about her life before and during the Holocaust, and seeing how her attitude and personality changed along with the desperation and sadness of that time was very moving and impacted me because I was reminded that we should not take for granted anything that we are given. It was very sad to think about Anne and so many other children having to grow up in a place and time where there were anti-Jewish laws, concentration camps, brutal violence, and constant separation from people that meant so much to you. It was a very humbling experience to learn about Anne's journey through the Holocaust. **By Austyn Ossmann**

Our new Pre-Engineering Robot from Mr. Bernhard's classes made an appearance at the Union Symphony Orchestra.

PTSO Senior Scholarship NOW OPEN

CATA PTSO is open to current CATA seniors whose families were members of the PTSO by the end of 2021. Amount: \$250 (minimum of four scholarships are being offered) Deadline: April 13, 2022

Application: **Click here**

Scholarship Committee (non-senior parents needed)

PTSO is looking for a handful of non-senior parents to help review our senior scholarship applications. This is a light time commitment sometime mid - late April. You will need to attend 1-2 meetings where you will review all of the applications and as a team award the scholarships. If you are interested, please contact Dee Swanson (demetra.swanson@gmail.com).

2022-2023 Committee Chairs Needed

Next school year is fast approaching and we are rounding out our PTSO board for next year. We have a few more spots to fill including Membership, Scholarship/Grant and Fundraising. If you've been involved at your previous school(s), please reach out. High School PTSO involvement is much different than elementary or middle school - less hands on and more behind the scenes - and we need you! New to this whole PTSO thing? No problem - no previous PTO/PTA or PTSO experience needed - just a desire to share ideas, brainstorm and have input on how to support CATA. Our goal is to provide resources and support for our school and give our children the best learning experience (oh and we have fun too - it's a great way to meet new CATA parents).

If you'd like to learn more about any of these open needs or just to learn more about CATA PTSO in general, please reach out to Megan Huffman (meghuf5@yahoo.com or 704.905.6473 cell/text).
