HAPPY THANKS-PIE-GIVING!

It is that time of year again. The temperatures are dipping...the apples falling from the trees...pumpkins all brilliant and orange are everywhere...the air smells of cinnamon and anticipation. What a better time than now to let the teachers and staff at Porter Ridge know that they are appreciated!

This year we are trying something new that we have heard is a hit at other schools in the area. We are looking for bakers (or shoppers) to help supply a dessert to each teacher and staff member at the school that they can take with them over the Thanksgiving holiday. We ask that the homemade dessert be labeled, but that is the only guidance we are going to give. We hope that people will be as creative as they want in the display of their dish and their label. We need at least 150 desserts for this to be a success. We will be distributing the pies on Tuesday, November 22nd at dismissal. Desserts can be dropped off that morning in the front office or the evening prior at a PR home throughout the cluster to be determined. Sign up by **CLICKING HERE**

We are also looking for quotes of why you are thankful for a particular staff member or teacher to put on a display for them when they come to gather their goodies. These can be emailed to: blgreen76@gmail.com. We appreciate the efforts that you all make throughout the year to make Porter Ridge so amazing for our kids and hope that you will be able to help us in appreciating the teacher and staff effort in this busy time.

Interested in being a Peer Mentor?

We are looking for Peer Mentors to assist with our mentorship program to help ELL students at Sardis elementary and Porter Ridge Middle School. If interested, please complete the good doc by using the link below.

PRHS has established a peer Mentoring Program. This program partners with Sardis Elementary and Porter Ridge Middle School. With students of many backgrounds, some will have a tougher time adapting and integrating in their new communities. Whether it is difficulty with academics, language, or adapting to our community, ELL mentors will be critical in getting these students invested in themselves and their surroundings. Our mission is to create a warm and welcoming school climate for all students, which will maximize their potential for success.

“Major Clarity”

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.

Sin embargo, a veces la ansiedad puede actuar como una trampa cuando comienza a sobrecargar nuestros cerebros y a minar la forma en la que nuestros hijos y nosotros nos desempeñamos. Trent hablará de cómo liberarse de este tipo de ansiedad y de las estrategias que nos pueden poner a cargo en lugar de la ansiedad.

STUDENT ABSENCES

- Students must turn in absence excuse notes to the Attendance Counselor **BEFORE** the start of the school day.
- Students are allowed **FIVE school** days after the end of an absence to bring a parent/ doctor note to document the reason for the absence. A parent note must be signed by a parent or guardian with a work and home telephone number for further clarification. An absence will be recorded as unexcused until the parent/ doctor note is submitted.
- After **FIVE** days the absence is recorded as **unexcused/unlawful**. Doctor/Medical notes may be considered after this in special cases. Parent notes will not be accepted after five days.
- All parent notes are subject to review and may result in a required parent-administration meeting in order to be considered.

- 
- Cell phones (headphones) may be used in a respectful manner during class transitions in between class periods and during lunches.
 - Cell phones must be silenced and put away during class periods. Away means stored in a backpack, or in a teacher-designated location.
 - Teachers do have discretion to allow students to use their cell phone for an instructional purpose during class time.
 - If you violate this you will lose the privilege to have your phone (and headphones) during class.
