Creative
Leadership

What is SFTL?

RYLA (Rotary Youth Leadership Awards) is a Rotary International initiative, sponsored by Rotary Districts throughout the world. This is an opportunity to help our next generation of leaders define themselves and expand their skills.

In 2009 Rotary District 7680 partnered with CCL (Center for Creative Learning) to design a leadership course for high school students, using the same framework delivered to global executives, policy makers and military officers. Tools developed over 50 years of transforming lives-each principal is intentionally crafted in the classroom, then reinforced with activities.

What is the goal of SFTL?

Within a nurturing and challenging environment, students blossom as they move through principals that empower them to increase self-awareness and develop life-changing skills; giving and receiving feedback; effective group communication; applied leadership and ethics; vision and goal-setting; non-verbal communication; self-assessment; increasing emotional intelligence and reflection.

How is SFTL organized?

Small clusters of 8 Students, led by a Rotarian Mentor, gather to debrief, recap and clarify. Activities may be performed within the cluster. These groups foster discussions about goals, ambitions, careers, college plans and relationships.

Life-long friendships may develop...according to one Rotarian's daughter, who attended RYLA at Gardner-Webb University in 2005. Now at the age of 36, the daughter recently postponed seeing dear-old Dad so she could meet with her RYLA buddies!

When and where is SFTL?

Gardner-Webb University in Bowling Springs, NC will once again host Rotary District 7680 SFTL. Students arrive on Thursday, July 18, 2024 for Check-In to their Dorm and Opening Session with Parents and Guardians. After a quick good-bye, three days of work, play and campus cafeteria food ensues. Parents and Guardians return for the Closing Session on Sunday, July 21, 2024.

Who can attend SFTL?

Rising high school juniors and seniors (plus a few select rising sophomores) apply first to a local Rotary Club and second to Rotary District 7680. Your local Rotary Club selects Student "Delegates". Once extra slots become available, the district can select applicants who haven't found a local Rotary Club.

How much does SFTL cost?

According to CCL, this Scholarship is valued at \$5,000! Fortunately CCL is our partner and local Rotary Clubs sponsor each Student...so there is no charge to Students.

Who is Rotary?

Rotary is a worldwide organization of business and professional leaders that provide humanitarian services, encourage high ethical standards in all vocations, and help build goodwill and peace in our local and world community. Approximately 1.4 million Rotarians belong to more than 35,000 clubs in over 200 countries and geographies. Additionally, Rotaract Clubs are focused on college and young adults, while Interact Clubs are focused on high school students.

What do I need to do next?

Contact your local Rotary Club at <https://tinyurl.com/7680clubfinder>, then submit your Student Application found at <https://tinyurl.com/2024-sftl-studentapplication>.

NEXTSTOP TEACH UCPS

Want to become a teacher? Start your journey right now in high school!

- Three pathways are offered
- Earn an Associate's Degree from SPCC at no cost
- Attend Wingate University to earn a Bachelor's Degree
- Earn a Gateway to Wingate Scholarship - Students pay no more than \$2,500 per year
- Participate in apprenticeship and internship programs, professional development and student teaching opportunities
- Become a certified teacher within four years after high school

When I enrolled in the Teaching as a Profession class, I expected to learn the basics of how to be a teacher. In other words, I anticipated purely learning how to share information with others, the process of grading tests, finding worksheets, and other responsibilities of a teacher. I learned so much more in this class than I ever had in mind. I gained new insight on how different ages of children act, how to curate a classroom that is inclusive, how each student has a unique learning style, and that a classroom is made up of several different parts, not just the academic instruction.

Attendance and Tardies

TARDY POLICY

Parents, it is important that students are on time for classes throughout the day. In order to ensure that you are aware if your child is tardy to class we will begin to send home notifications via our ConnectEd communication tool when your child has an unexcused tardy. We do have consequences for excessive tardies at school and these can be found in our [PRHS Student Handbook](#). Staff at PRHS remind students that the expectation is to go directly from one class to their next class, by taking the most efficient route possible. While we allow 5 minutes for each transition, students should report to their next class as quickly as possible and do not need the full five minutes. We find that students who take the most direct path to get to class and do not go into different parts of the building are always on time to class. If tardiness is due to a late bus they will be given a pass to class and will have an excused tardy which does not count against them. Thank you for your support as we teach our children the importance of being on time.

Attend Today and Achieve Tomorrow

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes should be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student can fail the course due to attendance.
