**OFFICIAL PARTNER OF THE  
CAROLINA PANTHERS**

Dear Parents/Guardians,

This letter is to inform you of the North Carolina Immunization Rules and Laws. A second dose of **Meningococcal conjugate vaccine (MCV4)** is required for students attending school in North Carolina who are entering the 12th grade. For complete details and explanations, please review the website <https://immunize.nc.gov/schools/ncruleslaws.htm> for NC general statutes 130A-157.

The meningococcal B vaccine does not count as part of the requirement.

Please review your child's immunization record to see if the second vaccine dose has been given. There will be a total of two (2) doses. If not, make an appointment with your primary care provider to have this done as soon as possible. You may also make an appointment with the Union County Health Department at 704-296-4800 for your child to obtain the required vaccine.

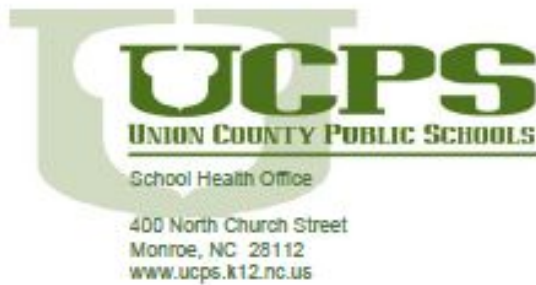

If your child has had the second meningococcal conjugate vaccine, please make sure you send a copy of their immunization record to the school nurse. Upon completion of the vaccines, please provide your school with a copy of your child's updated immunization record. . Students who remain non-compliant with this requirement after 30 days from the start of the school year are to be excluded from school.

If you have questions or concerns regarding this requirement, please consult with your health care provider. You may also contact your school nurse.

Thank you.

Estimados padres/tutores,

Esta carta es para informarle sobre las Reglas y Leyes de Inmunización de Carolina del Norte. Se requiere una segunda dosis de la vacuna conjugada meningocócica para los estudiantes que asisten a las escuelas en Carolina del Norte y que ingresan al grado 12. Para obtener detalles y explicaciones completos, revise el sitio web <https://immunize.nc.gov/schools/ncruleslaws.htm> para conocer los estatutos generales de Carolina del Norte 130A-157.

La vacuna meningocócica B no cuenta como parte del requisito.

Revise el registro de vacunación de su hijo para ver si se le ha administrado la segunda dosis de la vacuna. Debe tener un total de dos (2) dosis. De lo contrario, haga una cita con su proveedor de atención médica para que se administre lo antes posible. También puede hacer una cita con el Departamento de Salud del Condado Unión al 704-296-4800 para que su hijo obtenga la vacuna requerida.

Si su hijo recibió la segunda vacuna conjugada contra el meningococo, asegúrese de enviar una copia de su registro de vacunación a la enfermera de la escuela. Al completar las vacunas, proporcione a la escuela una copia del registro de vacunación actualizado de su hijo. Los estudiantes que no cumplan con este requisito después de 30 días desde el inicio del año escolar deben ser excluidos de la escuela.

Si tiene preguntas o inquietudes con respecto a este requisito, consulte con su proveedor de atención médica. También puede comunicarse con la enfermera de su escuela.

Gracias,

## **Attend Today and Achieve Tomorrow**

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
