WHY PLAY RUGBY?

LESS RISK OF INJURY

Rugby's continuous play and emphasis on tackling techniques can reduce the risk of concussions and other head injuries.

SKILL DEVELOPMENT

Rugby requires a wide range of skills, including passing, kicking, tackling, and running, which can enhance overall athleticism.

VARIETY OF STRATEGIES

Rugby's tactical complexity and multiple ways to score can make the game more interesting and challenging.

TEAMWORK & COMRADESHIP

Rugby's emphasis on teamwork and sportsmanship can foster strong bonds among players.

LESS SPECIALIZATION

Rugby doesn't typically require players to specialize in a single position, allowing for more balanced development and enjoyment.

GLOBAL SPORT

Rugby is a popular sport worldwide, offering players opportunities to travel and compete internationally.

COLLEGE SCHOLARSHIPS

Rugby is the fastest-growing college sport in America for both men and women. Since becoming an Olympic sport in 2016, rugby has gained even more recognition, with the first-ever Major League Rugby (MLR) Collegiate Draft taking place in June 2020. Increasingly, collegiate rugby programs are being designated as varsity sports, offering scholarships and receiving significant funding from their schools.

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
