Career Plans

Beginning in the 2024-2025 school year, NC Senate Bill 193 requires that all students in grades 6-12 have a career plan. A student's initial career plan will be created by the end of their 6th grade year and then revised annually through 12th grade. UCPS will utilize Major Clarity as the platform for students to create their career plan. This can be accessed by students through Clever. Parents are encouraged to review their student's career plan with them each year.

Required components of a Career Development Plan (CDP):

Update to date Career Assessment
Update to date Learning Assessment
Pathway Selection

Academic Course Planning
Other items that may be included:
Resume, FAFSA Completion,
Post Secondary Plans,

Add activities, awards, credentials and test scores

Through assessments, academic planning, and exploration of careers and postsecondary options, students will develop a deeper understanding of their interests, skills, and strengths.

Porter Ridge High School is committed to guiding students through this process and will collaborate with them during Advisory and other meetings to ensure every student achieves full completion.

Coach Greg Bevington brings a wealth of experience, knowledge, and passion to the Porter Ridge softball program. With a background in coaching at all levels, he is committed to developing athletes both on and off the field.

Known for his integrity and purpose-driven approach, Greg instills values of discipline, teamwork, and respect in his players. He takes pride in teaching sports IQ and enjoys watching athletes apply what they've learned during competition.
