Seniors...

If you have or are in the process of completing two Career & Technical Education (CTE) courses, students will be taking the **ACT WorkKeys** assessment on Monday, November 25th or Tuesday, November 26th. Students that need to take the **ACT WorkKeys** assessment will be notified this week by receiving an email from Ms. McCullough. Students please be sure to check your school email to see if you need to take the ACT WorkKeys assessment.

Benefits of taking the ACT WorkKeys Exam

ACT® WorkKeys® assessments are the cornerstone of the ACT workforce solutions. The assessments help you measure the workplace skills that can affect your job performance. WorkKeys assessments are:

- **Unique**—Unlike other assessments, they don't simply give an indication of reading and writing competency. Instead, they measure a range of hard and soft skills relevant to any occupation, at any level, and across industries.
- **Recognized**—Successful completion of WorkKeys assessments can lead to earning an National Career Readiness Certificate® (NCRC®)—a credential that verifies foundational workplace skills. Tens of thousands of employers recognize the value of the NCRC, and many recommend the credential to candidates.

National Career Readiness Certificate

The ACT WorkKeys National Career Readiness Certificate (ACT WorkKeys NCRC®) is an assessment-based credential issued at four levels; Platinum, Gold, Silver, and Bronze. The NCRC measures and certifies the essential work skills needed for success in jobs across industries and occupations. With an NCRC, you can:

- Build confidence that your skills meet the needs of employers
- Show prospective employers concrete proof of the skills you have
- Apply real-world use to coursework from the classroom
- Determine skill improvement and training needs
- Improve the opportunities for career changes and advancement
- Earn college credit at many institutions and reach academic goals more quickly

Requirements to earn National Career Readiness Certificate

A National Career Readiness Certificate is earned by achieving a Level Score of 3 or better on all three WorkKeys assessments:

- Applied Math
- Workplace Documents
- Graphic Literacy

Attend Today and Achieve Tomorrow

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
