PARENT PORTAL, CANVAS AND OTHER PARENT RESOURCES

UCPS provides a number of student and parent resources including access to attendance and grades, Canvas, a variety of mobile apps, and tutorials for using these resources. To access information about what resources are available to students and parents, please click [HERE](#).

The PowerSchool Mobile APP for Parents is a particularly valuable tool for helping parents keep up with their students academic progress. Information on how to access this app can be found on the link above. UCPS opened access to the Parent Portal/PowerSchool Mobile App on Monday, September 12th.

Last year, UCPS Technology Services partnered with NCDPI to pilot the Single Sign-On (SSO) platform for parents and guardians using the existing NCEdCloud (<https://my.ncedcloud.org>) webpage. This new service is optional for parents, however provided a convenient one-stop access to digital resources such as Canvas, PowerSchool Parent Portal, Discovery Education, and Clever applications (when available). Single Sign-On accounts using NCEdCloud will only be provided for parents and guardians who currently have a PowerSchool Parent Portal account.

For the 2022-2023 school year parents who have an existing PowerSchool Parent Portal account will receive notification of this new service via their PowerSchool Parent Portal email address. Once their Single Sign-On account is configured by NCEdCloud, they will receive an email indicating the Parent/Guardian account has been set up, along with a Claim Code and instructions on how to "Claim Your Account" at <https://my.ncedcloud.org>. To claim an NCEdCloud Parent/Guardian account, they will need the Claim Code received in the email, along with their email address. ([Click here for overview and instructions](#)).

After the account has been claimed, parents will log into <https://my.ncedcloud.org> using the credentials established during the account claiming process to view and access the dashboard of DPI provided digital resources. Parents and guardians should contact their student's school for assistance.

REQUIRED BACK TO SCHOOL FORMS

We are continuing to utilize the convenience of online form completion through [FamilyID](#) for your required back to school forms. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to complete forms, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

[Weddington High School FamilyID](#)

Forms are currently available to complete via FamilyID. The due date to complete all required school forms is **Friday, September 23rd by 11:59pm.**

ATTENDANCE

In the event your child is absent from school due to illness/injury, please provide written documentation to our Attendance Counselor, Mrs. TC Yost (tammy.yost@ucps.k12.nc.us). Either a doctor's note or written parent note is required to excuse the absence. A phone call to the school, stating your student is absent, is not necessary. Remember, parent notes will only be accepted during the current 6-week grading period, of the absent day.

Early Dismissal Procedure:

On the occasions that you need your student to be dismissed from school early, please send in a note stating the time of dismissal with your student. The note must include the first and last name of the student, date, time of dismissal and parent signature. Students should bring the note to the front entrance/office area before the school day begins so they can be given an early dismissal pass to leave class at the appointed time. The student is then able to leave class, without disrupting instruction, and come to the front office. Students who follow this process will be allowed to walk out to meet you at your car or drive (if they are a registered student driver).

Please contact Mrs. Yost with any attendance questions or concerns.
