3:15-3:30pm	<p>2023-2024 SIP Goals:</p> <ol style="list-style-type: none">1. Discipline - 105 referrals from September, up 30 or 40 from last year, it should level out; we have not seen as many vaping or aggressive acts; for the first time in Harvey's tenure, freshmen are not leading in # the of infractions, sophomores are the most, juniors, freshman, then seniors; 33% of referrals come from approximately 10 students; admin has looked at not placing certain students in the same classes together in the future2. Proficiency - IXL is being expanded, and it has done well to reach efficiency, training will be October 23rd, English, Math & Biology (not all sciences yet); check-in data is incomplete3. Rigor/Staff Development - modify for the second semester based on feedback; some issues have already been noted	

3:30 - 3:45pm	<p>NCStar Update</p> <ul style="list-style-type: none">• Malone is in France and was supposed to be presenting on this. We will skip this topic for this meeting and pick up next.	
3:45-3:55pm	<p>Media Advisory Committee</p> <ul style="list-style-type: none">- Advisory: Mabrt, VanGaasbeck, Swartz, Dion, Monroe, Stine, Berton, Parent Rep, Malone- Review: Harvey, Pipkins, Gooden, Terrell, Goodson, Bair, Student Rep- These members were voted on and approved.	
3:55 - 4:00pm	<p><i>Closing, Reflection, Open Forum</i></p> <ul style="list-style-type: none">- Admin: no referrals for cell phones, referral should be insubordination (which has more repercussions), students should not have the option to keep the phone on their person; 50 for 1st term is no longer the policy - do we drop it, keep it, or review and potentially change students grade at the end of the semester?
